

Take a photo

As an example, Sue has taken two photos of how she is connecting when she's staying safe at home.

This photo shows how Sue is connecting with her family by playing cards.

This photo is of Sue's cat Jake. Because she is at home all the time, Sue is connecting more with her cat Jake.

Why not take a photo of how you're connecting while you're staying safe at home?

Don't forget to connect with DIY by sending us a photo!
