

Create a Review!

Reviews are a great way for us to share what we are watching and give each-other good ideas about what to watch.

We can do a review about a film, a TV programme, a video or a video game.

You could write your review, draw pictures, record your voice or even make a film talking about your review.

Why not use our 'Review Sheet' to help with your Review? You can find it on the next pages.

Don't forget to share your review with us when you've finished it!
