

DIY's Passing the Baton Project members have been learning Circus Skills. One of these skills is how to use a 'Ribbon Stick.'

Let's Make a Ribbon Stick and get some Circus Skills!

You will need:

- **A stick** – a lollipop stick, a wooden spoon, or pencil will do. *(Make sure you ask the owner if you can borrow it first!)*
- **Some ribbon** – any length, but the longer the stick, the longer the ribbon can be!

1. Place the ribbon underneath the stick, so there is one short section, and one long section, like this:

2. Tie the ribbon in a knot around the stick.

3. It's best to tie the ribbon with 2 or 3 knots – to make sure it is really secure!

You may need a friend / relative / teacher, who is good at tying knots to help!
