- ★ A pair of Scissors
- ★ Colouring in pencils, pens or paint if you want to make it look bright and cheerful.

2. Then fold it in half again, width-ways, like this:

4. Once you have folded it, open the 'Circus Zine' sheet of paper back out again so it looks like this:

5. Next, we need to cut along the 'cut out' line in the middle of the piece of paper.

You may need a friend / teacher / relative who is good at using scissors to help you with this bit 😊

6. Do not cut across the whole piece of paper!

Only cut between the 'STOP' lines:

7. Once the cut is complete, fold the piece of paper into 4 sections, and use your hand to pinch the sections together:

8. Find the page that says 'Welcome to the Circus!' This is going to be the 'Front Cover' of the Zine. The page with 'CIRCUS' on it, is going to be the 'Back Cover'.

Fold the Zine so that it becomes a small book.

Ta Da!! You have made a 'zine' !

The 'Welcome to the Circus' Zine is ready to colour in!
